¹ Includes persons of Central or South American origin and of other Hispanic or Latino ethnicity, not shown separately.

² Includes self-employed workers whose businesses are incorporated.

³ Employed persons are classified as full- or part-time workers based on their usual weekly hours at all jobs regardless of the number of hours they are at work during the reference week. Persons absent from work also are classified according to their usual status.

NOTE: Persons whose ethnicity is identified as Hispanic or Latino may be

of any race. Updated population controls are introduced annually with the release of January data. Effective with January 2011 data, occupations reflect the introduction of the 2010 Census occupational classification system into the Current Population Survey, or household survey. This classification system is derived from the 2010 Standard Occupational Classification (SOC). No historical data have been revised. Data for 2011 are not strictly comparable with earlier years.
